MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Nomination of Support Services Personnel to  
Senior Defense Colleges and Advanced Management Course, Harvard University

1. In accordance with your memorandum of 15 August 1957, subject as above, I nominate the following candidates for the Armed Forces Staff College course beginning August 1958:

25X1A9A

25X1A9A

2. I have no nominations for the Armed Forces Staff College course beginning in February 1958 nor for the other colleges listed in your memorandum. [redacted] of this office is attending the Armed Forces Staff College course beginning this month. As I have mentioned to you earlier this year, I believe that at this time and for perhaps the next year or two, the Armed Forces Staff College is the only one of the several schools to which the Office of Communications would benefit by sending students.

25X1A9A

3. I have not submitted the qualifications nor the justifications for my nominees listed above, as prior to the date you will have to make your recommendations to the Career Council, I will select one of the above three as the candidate I would like to have considered. In the case of [redacted] and [redacted] certain administrative determinations must be made before final selection can take place (both are overseas and not due back until late in the summer of 1958), and in the case of [redacted] a suitable re- 25X1A9A placement from the Administrative Career Service would have to be designated. This I will talk to you about in the future.
